

Summer Institute:

In late June, 2018, AERO will offer a series of five-day workshops for school teams at Marymount University in suburban Washington, D.C. Areas of focus include:

- AERO Common Core Plus English/ Language Arts
- AERO Common Core Plus Mathematics
- AERO Science NGSS
- AERO World Languages
- Academic Leadership (for curriculum coordinators and administrators)

By Invitation:

- AERO Mathematics Assessment
- AERO Social Studies

Tuition, room and meals will be supported by the Office of Overseas Schools. Applications will be sent to schools in early January, 2018.
